Vision 1. Well-Planned, Multi-Modal Transportation System

A system of improved arterial roads help divert non-local, commuter traffic away from downtown Matthews. Street improvements accommodate cars, pedestrians, bicyclists and transit services. The Silver Line extension of the light rail provides many benefits to the community and is a welcomed alternative for commuters.

MATTHEWS TRANSPORTATION ADVISORY COMMITTEE BYLAWS

ARTICLE IV - MEMBERSHIP

Any member appointed to the Matthews Transportation Advisory Committee must be a resident of Matthews, NC. The Committee shall be composed of seven (7) members appointed by the Town Board of Commissioners. All members shall have voting rights. The Town's appointee to the Charlotte Transit Advisory Group (CTAG) shall be an ex-officio member of the Committee. The ex-officio member shall not be counted toward a quorum and shall only vote if the regular member votes have resulted in a tie. A town staff member will act as liaison to the Committee. Each citizen shall be appointed to a two-year term, and may serve an unlimited number of terms. If a vacancy shall occur on the Committee, then the position can be filled, upon recommendation of the Committee liaison and Chairman, by the Town Board of Commissioners.

Where possible, appointments shall be made in such a manner as to maintain on the Committee at all times at least two (2) members who have had special training or experience in planning, transportation engineering, or a related field.
